SUBJECT.

Payment for the interment of East Indian etc patients dying in Hospital of the State.

Memo

On 7' June 1894, Sister Mary of the St Marthas Hospital at Bangalore in her letter to the Senior Surgeon enquired whether Govt would pay as usual for the ~~payment~~ interment of East Indian patients dying in this Hospital and supply them with coffins. The Senior Surgeon having forwarded the letter for the orders of Govt, the President ~~and who~~ was asked to state whether payments for the burial of East Indian patients dying in the Hospital were ever ~~paid~~ made and if so from what funds and under what authority + he replied that no payment was ever made for the purpose ~~But~~ He was however of opinion that the Municipality was bound to arrange for decent disposal of the remains of paupers dying within its limits ^. ~~and a prepared and~~

Presidents No 382/2 of 29/6/94

but that it was no part of its duty to provide for religious rites or to supply coffins

The President accordingly undertakes to ~~that~~ arrange~~ments~~ ~~woul~~d ~~be~~ ~~made~~ for such disposal, if the dead bodies were made over to the Sanitary Inspector of the Municipality and adds that no objection will be taken if the friends or relatives of the dead provide them with coffins or religious rites while the municipality gets the dead cremated or interred.

(2) The above letter was communicated+ to the Senior Surgeon ~~&c~~ with a request that he will report if payments for the purpose referred to were ever made by Govt and if so when and under what authority and that he will ascertain and state the practice prevailing in the Bowring Civil Hospital in the C & M station of Bangalore and the medical institutions elsewhere in the Madras Presidency in regard to the burial of ~~persons~~ paupers dying in them when their burial is not undertaken by friends or relations o the deceased.

+ No $\frac{1582\cdot 3}{L\cdot 7\ 6\ 92}$ of 27/7/94

(3) The Senior Surgeon accordingly ~~submits~~ ~~the~~ reports ~~called~~ ~~for~~ that under the ~~authority~~ sanction conveyed in Govt Proceedings dated 5/2/91 No $\frac{1231\ 7\ 8}{136}$ ~~author~~ "for the disbursement from savings in the Medical Budget of a sum not exceeding Rs 100 annually towards the cost of burial of European patients dying penniless and friendless in St Marthas Hospital, Rs 94 were paid by Govt during 1891 92 at an average cost of Rs 11-12-0 for each burial, the charges incurred by nuns being only 21 Rs for 2 burials at an average cost of Rs 10-8-0 per burial. The information furnished by the Senior Surgeon and the Dy Comr in regard to the practice prevailing in the Bowring Hospital at the Station and medical ~~and~~ institutions in Madras is embodied in the following

abstract statement :-

The above information relates to the ~~Civil~~ municipal Hospital at Bangalore and Govt institutions in Madras.

In Madras patients dying in Municipal Hospitals are buried at municipal expense. A society is stated to have been [illegible] star-

started at Madras to conduct the burial of Mahommadan paupers at its own cost; when a death takes place, the society is informed of it and arrangements are made by it for the burial.

4. I beg to submit that St. Martha's Hospital was more or less a Govt institution when the order of 5/2/91 No $\frac{12317-8}{136}$ authorizing an annual expenditure of Rs 100 was passed by Govt. But at present it is purely a private institution receiving grant-in-aid from Municipal and Provincial funds amounting to Rs 400 per mensem (Vide Pro Of 26th Nov 1892 (Camp No 228-32). In this order the Petta Dispensary and Civil Hospital, which ~~were~~ had been amalgamated with St Martha's Hospital, were separated and constituted a Govt institution. ~~The Pro of 5/2/91 does not therefore authorize the payment of any money to the St. Martha's Hospital on accoun~~

Municipal funds	Rs 200

It is the duty of the Govt to dispose of the dead bodies of paupers, wherever they may die whether in private dwellings or public places; I think the transfer of the St Martha's Hospital to the Local Deptt does not take away this duty.

The practice existing at the Bowring Civil Hospital ~~at~~ in the C & M Station ~~or~~ or at the several medical ~~stations~~ institutions at Madras, does not apply to the St. Martha's Hospital, which is neither a Municipal or Govt institution

~~Sd/ 30/9/94~~

I further beg to submit that under Chief Comm Pro of 2/9/88 Camp No 1165 the charges on account of interment of ~~deceased~~ paupers dying (within or without medical institutions) are debitable to the Civil Budget and the amount payable for each burial is fixed in Chief Comm Pro of 29/1/78 No $\frac{9360}{GL\ 234}$ as given hereunder:—

(1) For disposal of the dead body of a caste Hindu, Mussalman, European, East Indian or Native Christian } Rs 2-0-0

The President's proposal to defray the cost from the Municipal Funds is opposed to ~~Under~~ the standing order noted in the margin under which the cost of the disposal of ~~paupers~~ the dead bodies of paupers wherever they may die whether in Municipal towns or elsewhere should be borne from the Provincial Funds

The grant-in-aid ~~paid~~ paid to the St Martha's Hospital under the Govt. order of 26th Novr 1892 No 228-32 is for the purpose of giving medical relief and does not impose upon the

institution the cost of the

The Muni^l. Regulation ~~provi~~ makes it the duty of the Municipality to provide burial places (Sections 188 & 191) and does not say anything abt the disposal of the dead bodies of paupers.

The Resident's suggestion for the Municipality undertaking the duty seems to be opposed to the standing orders (No. 9360 pp. 234 of 29 Jany./78 and No. 1165-73 of 21 Septr./88). The order of 21 Septr./88 expressly discontinued the practice which prevailed in Chikmuglur & Mysore towns of paying the cost from Dist. or Muni^l. Funds and lays down that the charge shall be Prov debited to Provincial Fund in all places in the Province.

The order of Govt. of 5-2-91 No. 12317 refers specially to the 136 St. Martha's Hospital and says that annually 100 Rs. should be provided in the Medical Budget to meet the cost of burying European patients dying penniless & friendless.

The transfer of the St. Martha's Hospital to the Lady Supdt. for the purpose of treatment of the sick does not it appears to me

relieve the Govt from
its duty of providing for
the burial of paupers
that duty remains wherever
the paupers may die whether in
private dwellings or public
places

With reference to Government Proceedings No $\frac{22546-8}{LF\ 225-92}$ dated 25th Instant forwarding Letter dated 11th June 1894 No 3298 from the Senior Surgeon regarding payments for the interment of East Indi patients dying in Saint Marthas

Hospital, I have ———— the honor to state that no such payment has ever been made for the purposes stated in the Lady Superior's letter. The Municipality is I think bound to arrange for decent disposal of the remains of paupers dying within its limits. I shall therefore arrange for such disposal of the remains of paupers dying in Saint Martha's Hospital by cremation or interment if the dead bodies are made over to my Sanitary Inspector after sufficient notice to meet religious scruples. But I do not think it is the duty of the Municipality to provide for religious rites or to provide coffins. If the friends or relatives of the dead provide them however there can be no objection to their doing so, while the Municipality gets the dead cremated or interred as the case may be

that

that the burial Charges at the following rates are allowed from the hospital Contingencies viz.

Europeans Rs 9/- 30/-

Native Christians and Mahomedans } Rs 1/8

Hindus — Rs 1/- while in the Madras Presidency the practice as enumerated in the Memo appended to the letter No. 5368 of 30th August 1894, herewith forwarded, is as shewn below

General Hospital " For Europeans and Eurasians Rs 8/8/- is allowed for a Coffin with hire of bearers. The Coffin is covered with an inferior black cloth and the body buried in its own clothes.

For Natives, if the body is not required by the Medical College, a sum of Rs 1/5/- is allowed - one rupee goes to the undertaker and 5 annas for a new cloth for burial.

The rates for natives are Rs 1-5-.. in the General hospital, 1-8-.. in the Lying in hospital and 1-..-.. both in Leper hospital and Lunatic Asylum.

4.- The average cost of each patient dying at Saint Marthas amounts to Rs 11-12-.. as shewn in the margin.

5.- All things considered, I would recommend that Rs 9/- (nine) for Europeans and Eurasians and Rs 2/- for natives may be sanctioned to St Marthas hosp. to be met either from the Municipal or Medical Budget out of general savings during the current year allowing the same rates for those dying in the Government hospitals for which there exists no separate provision at present in the Medical budget.
